

Dear Parents/Carers,

Over the term, we have been working with children in Year 3 to 6 to access Google Classroom. In the event of a year group closure, your child's teacher will provide work using Google Classroom. Year 3 – 6 have been using Google Classroom with their teachers and they should be familiar with the software.

Please find attached your child's log in details for them to access Google Classroom at home. Search 'classroom.google.com' and click the first link. You will be directed to log in and require a username and password.

1. Your child's email log in is **unique to their name** e.g.
tom.smith@stannesrc.co.uk
2. **Password: 5tAnnes2020**

If your child has a double barrel name a hyphen will be used to show this e.g.

tom-james.smith@stannesrc.co.uk
tom.smith-jones@stannesrc.co.uk

The majority of children in Year 3 to 6 are familiar with google classroom and have already logged in. However the children in Year 1 and 2 will not be familiar with the log in process and will need to follow the steps below:

1. Search 'classroom.google.com' and click the first link. You will be directed to log in and require a username and password.
2. Log into Google Classroom using your child's email log in is **unique to their name** e.g.
tom.smith@stannesrc.co.uk
3. The password is 5tAnnes2020
4. Once logged into Google Classroom, you will be given the option to 'join' your child's class. They must click '**join**' to access work. Your child then needs to click the '**classwork**' tab to see their work and assignments.

If your child's bubble has been sent home to self-isolate, work will be placed on google classroom by 9:30am each day.

Head of School: Mrs. S Bushi

If your child is not asked to 'join' their class and their home screen appears blank, they can enter the code below to find their Google Classroom. You only need the code below if your child isn't or can't join to their class.

Your child's class code is:

Y1 – uedva4d

Y2 – ycj7mk6

Y3 – h45m2c5

Y4 – y4nzofx

Y5 – wrnfuln

Y6 – tmu3btu

Please remember that the majority of the children in Year 3-6 have all logged in school with the help of their class teacher. So they should be able to use the log-in details above with an adult's help. Thank you for your continued support during this difficult time.
